

2012 TxSWANA Annual Conference

The City of Garland is hosting the Texas Lone Star Chapter of the Solid Waste Association of North America (TxSWANA) 2012 Conference June 13-15, 2012. This year's conference will be held at Garland's Special Events Center and will focus on getting the most from your TxSWANA investment through technical sessions, exhibits, keynote speakers and tours.

During difficult economic times, it is critical to provide cost effective ways for employees to improve their job knowledge, hone their skills and meet the demand for quality products and services. Conference attendees will share ideas with other professionals and learn from the best in the business to successfully navigate tough economic times.

The exhibition hall will feature equipment manufacturers, waste and recycling service providers, environmental consultants, engineering firms, and other industry specific organizations.

Some of this year's highlights include:

- A unique and festive opening reception
- An abundance of technical sessions and tours
- Thursday evening Dinner by the Lake
- The very best exhibitors showcasing their products and services
- Outstanding keynote speakers
- A golf tournament filled with fun!

A special TxSWANA early registration room rate of \$107.00 is available for the dates of June 10 – 17 at the Hyatt Place Dallas/Garland. Reservations are open now – call to reserve your room and mention that you are attending the TxSWANA conference to receive the special rate.

- Hyatt Place Dallas/Garland: (888) 492-8847 OR (972) 414-3500

Take a moment to complete the registration form and reserve your place as delegate (member), attendee (non-member) or exhibitor at the TxSWANA 2012 Conference – the premier conference for solid waste professionals in Texas!

For any questions, please contact me at lbanks@garlandtx.gov or (972) 205-3424 or you may contact my assistant, Samia Burns, at sburns@garlandtx.gov or (972) 205-3492.

Sincerely,

Lonnie R. Banks, Chair

Speaker Profiles

Sam Baig is a Project Engineer for Biggs and Mathews Environmental. His work with water balance covers includes analysis, design, modeling and preparation of TCEQ permit modifications and construction management. He has B.S. and M.S. degrees in Civil Engineering, with a specialty in geotechnical engineering.

Josh Rhodes is Regional Sales Manager for Crane Carrier Company in Tulsa, OK. In addition to his responsibilities in the South Central sales territory, John has also created training courses for sales and marketing and dealer contract administration. He is active in the Phi Sigma Kappa Alumni Association. Josh holds a degree from Northeastern State University.

Bob Gedert is the Director of the City of Austin's Solid Waste Services Department, known as Austin Resource Recovery, where he is working on implementation of the Austin Zero Waste Plan. He has been involved in recycling and waste reduction programs since 1975 in Indiana and California before coming to Texas.

Bryan Given is the Landfill Specialist for GeoShack's southern territory. He builds landfill business and supports current customers. He also worked as a surveyor for several years. Bryan has a degree in Civil Engineering.

Kim Mote is Assistant Director of the Code Compliance Department's Solid Waste Division for the City of Fort Worth. He is responsible for the city's residential solid waste program. Kim worked in the private sector as a district landfill manager and currently serves as the Chair of the Texas Product Stewardship Council. Kim served in the United States Army, retiring as a Lieutenant Colonel in the Corps of Engineers, and is a graduate of Texas A&M University

Robert Juler is Managing Director of Juler Group Incorporated, an enterprise risk management consulting and services firm. He is directly involved in air and noise exposure assessments and sampling in the solid waste industry and has experience in comprehensive hazardous exposure assessments, silica monitoring, process safety management, spill prevention control and hazardous materials management. He has achieved certifications in industrial hygiene, occupational safety and environmental science. Robert holds a B.S. degree in Organic Chemistry and an M.B.A.

Ryan Kuntz, Senior Project Engineer with SCS Engineers in the Dallas/Ft. Worth office, is a registered Professional Engineer in Texas and New Mexico. His broad range of experience includes regulatory permitting and design of landfills and LFG collection and control systems. He specializes in construction-phase services, as well as certifying for construction quality assurance.

Kevin Yard is Vice President and Office Director for SCS Engineers. His years of engineering experience have encompassed a broad range of projects including feasibility studies, permitting projects, construction plans and operations consulting. He has assisted clients in assessing financial returns on solid waste projects across a broad range of investment value and geographic locations. He is a registered professional engineer in five states and has authored numerous technical papers and has presented expert testimony before legislative committees, district court and permit hearing.

Speaker Profiles

Veronica Roof is a licensed attorney in the State of Georgia and a member of the Environmental Law Section and Local Government Section of the State Bar of Georgia. She has conducted solid waste and recycling projects across the country, including projects for Corpus Christi, El Paso, Fort Worth, Georgetown, McKinney, San Antonio, and The Woodlands. In 2011, she led the project team when the Georgia Department of Community Affairs and the Georgia Recycling Coalition commissioned the development of tools to assist local governments and other users with evaluating the feasibility of a residential source separated organics (SSO).

David Vartian is the Senior Operations Supervisor for the City of Dallas McCommas Bluff Landfill and is responsible for processing operations and division training and facilitates professional development. He has a background in the Fire Service and has served as a licensed Deputy Assistant Fire Marshal and Incident Safety Officer. He has earned several professional certifications ranging from OSHA 10, TEEX Hazardous Materials Technician, and CPR instructor. David holds a B.A. degree in Political Science from the University of Rhode Island and J.D. degree from Southern New England School of Law.

Frank Pugsley is the Solid Waste Practice Leader at CP&Y. He is a Licensed Professional Engineer in the States of Texas and Oklahoma. His areas of expertise include TCEQ municipal solid waste permitting, landfill and transfer station design, construction management and water treatment and distribution. He is a member of SWANA and has served as the History and Heritage Chairperson for the Dallas Branch ASCE. He holds a Bachelor of Science and Master of Environmental Engineering degrees from Texas Tech University.

Victoria Hodge is the Home Chemical Collection Supervisor for the City of Denton's Solid Waste Department. Victoria has been part of the HCC program since its inception in 2005 and has focused on pharmaceutical take-back issues and serves as the project manager for Denton Drug Disposal Day (D4) Program. Victoria serves on the Board of Directors of the North American Hazardous Materials Management Association (NAHMMA) and the NAHMMA Lone Star Chapter, she is a member of SWANA and TxSWANA where she serves on the Safety Management and Resource Team, and she serves as the pharmaceutical chair of the Texas Product Stewardship Council. She is also a member of the American Society of Safety Engineers. Victoria holds a Master's degree in Behavior Analysis from the University of North Texas.

Debbie Kelton is an Occupational Health and Safety trainer and provides safety training for the City of Austin Resource Recovery employees. She leads the Employee Safety Committee and provides safety inspections and prevention activities for the department. She has 13 years of law enforcement experience and holds an Advanced Peace Officer license through the Texas Commission on Law Enforcement Standards and Education.

Sonia Samir is a Ph.D. student at the University of Texas at Arlington. Her research interests include municipal solid waste, bioreactor landfills, landfill mining and landfill gas. She has a B.S. degree in Civil Engineering from Bangladesh University of Engineering and Technology and an M.S. degrees in Civic Engineering from UTA.

Christopher Day is the City of Plano's Commercial Recycling Supervisor and is responsible for advancing existing programs and implementing new opportunities to increase commercial diversion. Under his leadership, the city's commercial recycling rate has increased from 22% to 33%. Chris holds a B.S.B.A. degree from the University of Texas at Dallas.

Jeffrey Reed is an attorney at Lloyd Gosselink Rochelle and Townsend, P.C., where he practices primarily in the areas of air and solid waste permitting and compliance. He has experience in negotiating contract with landfill gas-to-energy developers and advising clients seeking to obtain renewal energy credits and carbon credits. He holds a law degree from Southern Methodist University.

Speaker Profiles

Travis McCoy is a Professional Engineer in the solid waste sector of Parkhill, Smith & Cooper in Lubbock. His areas of concentration include waste cell design and construction, groundwater sampling, permitting and leachate management. He is an associate member of the American Society of Civil Engineers and the National Society of Professional Engineers, and he is Treasurer and Secretary of the South Plains Branch of the Texas Public Works Association. He graduated from the University of Texas at San Antonio.

Hector Chavez is Public Works Director for the City of Eagle Pass. He was recently recognized as a Public Works Leadership Fellow by the APWA. In this position, he will mentor public works officials enrolled in the APWA Donald C. Stone Center for Leadership Excellence. Mr. Chavez is a member of SWANA and has served as chairman of the Eagle Pass ISD. He serves on the TCEQ Municipal Solid Waste Committee.

Ellen Jensen has been the Occupational Safety & Health Manager for the City of Austin Solid Waste Services for the past seven years. She has more than 20 years of accomplishments in environmental, radiation, security, and safety management in a variety of industries. Ellen is active with TxSWANA Safety Management and Resource Team (SMART). Her BA degree is in Education and she holds an MPH in Industrial Hygiene.

Thank you!

Thanks to all participants and exhibitors for joining us.
Your continued support makes this conference possible.
Please join us next year in Lubbock, Texas for the 2013 TxSWANA Annual Conference

June 13-15

Exhibitor Information

The City of Garland is hosting the Texas Lone Star Chapter of the Solid Waste Association of North America (TxSWANA) 2012 Conference June 13-15, 2012. We invite you to showcase your products, equipment or services as an exhibitor during the conference. This year's conference will be held at Garland's Special Events Center which will allow all exhibitors including large equipment to be located on the main floor inside the Exhibit Hall.

TxSWANA's challenge, as an extension of the Solid Waste Association of North America, is to advance the practice of managing solid waste in the most economical and environmentally responsible methods possible. The Texas Lone Star Chapter has nearly 400 members from both public and private entities, and we anticipate over 300 delegates will attend this year's conference. This year's conference will focus on **Investing in TxSWANA Through Tough Times**. During difficult economic times, it is critical to provide cost effective ways for employees to improve their job knowledge, hone their skills, and meet the demand for quality products and services. Conference attendees will share ideas with other professionals and learn from the best in the business to successfully navigate through these tough economic times.

Some of this year's highlights include:

- A unique and festive opening reception
- An abundance of technical sessions and tours
- Thursday evening Dinner by the Lake
- The very best exhibitors showcasing their products and services
- Outstanding keynote speakers
- A golf tournament filled with fun!

Exhibit space on the floor of the main exhibit hall promises to go quickly so you are encouraged to submit your application and payment as soon as possible. Each booth or equipment display will include one full conference registration and two "exhibitor only" badges. A special TxSWANA early registration room rate of \$107.00 is available for the dates of June 10 – 17 at the Hyatt Place Dallas/Garland. Reservations are open now – call to reserve your room and mention that you are attending the TxSWANA conference to receive the special rate.

- Hyatt Place Dallas/Garland: (888) 492-8847 OR (972) 414-3500

_____ Name of Company to Exhibit (hereinafter called "Exhibitor") and the
2012 TxSWANA Conference Planning Committee (hereinafter called the "Committee").

FOR GOOD AND VALUABLE CONSIDERATION, it is mutually agreed as follows:

1. The designated product(s) of Exhibitor is (are) solid waste and environmental related items, equipment or services.
2. Exhibitor agrees to take, lease and properly occupy space(s) number(s)
_____ (hereinafter called the "Space") designated on the official diagram for the 2012 TxSWANA Conference (hereinafter called the "Conference") to be held at the Garland Special Event Center, June 13 – 15, 2012, for the exhibition of the product(s) hereinafter set forth.
3. Exhibitor shall pay for the Space and the Committee shall accept the Total Sum of \$_____. Payment must accompany this contract to guarantee reserved space.
4. For the Total Sum listed in paragraph 3, the Committee will provide the Exhibitor with the space(s) number(s) listed in paragraph 2. Booths will include one eight-foot skirted table, two chairs and one identification sign. Each booth and/or truck or large equipment display will include one FULL CONFERENCE REGISTRATION and two additional EXHIBITOR ONLY badges. EXHIBITOR ONLY badges will admit the badge holders into the exhibit area only for the duration of the Conference. Additional EXHIBITOR ONLY badges, meal and event tickets for EXHIBITOR ONLY badge holders are available and may be purchased using the 2012 Conference Registration Form.
5. If Exhibitor does not exhibit the designated product(s) in the Space or otherwise fails to comply with any of the terms of this agreement, the Committee shall have the right, without notice to Exhibitor, to sell or offer the Space for sale at public or private sale and Exhibitor shall pay to Committee any deficiency, loss or damage suffered by the Committee by reason thereof, including the reasonable expenses and costs incurred. Occupancy of the Space is of the

Exhibitor Space Agreement, con't.

essence of this agreement and should the Committee be unable to effect a sale of the Space herein provided, it shall have the right to occupy or cause the Space to be occupied in such manner as it may deem in the best interests of the Conference or cause Exhibitor's name to be placed on the board of the Space, all without releasing Exhibitor from any liability hereunder.

6. Exhibitor shall not assign or sublet any part of the Space without the written consent of the Committee. All exhibits shall be subject to the approval of the Committee. Only the name of the Exhibitor may be used over or in the Space or may be included in the printed media of the Conference.
7. In case the Space shall not be available for the uses herein specified due to war, governmental action or order, act of God, fire strikes, labor disputes, or any other causes beyond the control of the Committee, this agreement shall immediately terminate and in such event Exhibitor shall and does hereby waive any claim to damages or any other recovery therefore except the return of the amounts paid as rental for the Space, less the pro-rata share which can be allocated to the Space for the actual expense incurred by the Committee in connection with the Conference. Should the Committee, in its sole discretion, consider it unadvisable to hold the Conference at the time and place herein provided, the Committee may at its option terminate the agreement, return the sums paid by the Exhibitor for the Space, and there shall be no further liability on the part of either party to the other. Upon written notice to Exhibitor, the Committee shall also have the right to change the date and the place where the Conference is to be held.
8. Committee will not be responsible for any injury that may arise to exhibitor, its employees or others or for the loss or damage to any material from any cause whatsoever while in transit to or from the building or while in the show whether or not Committee furnishes attendants, guards or watchmen. Exhibitor agrees to hold Committee harmless from any suits, liability or claim from damage or injury, sustained by any person, arising out of Exhibitor's use of the Space and its activities in connection with the Conference.
